PRESS RELEASE, For Immediate Release

Salt Lake City, Utah (April 1, 2019) – Bristol Hospice, a portfolio Company of Webster Capital, is pleased to announce the addition of Comfort Hospice & Palliative Care, LLC to their Bristol Hospice patient care services team in Portland, Oregon.

Bristol Hospice CEO, Hyrum Kirton, remarked, “Comfort Hospice has a reputation of delivering exceptional patient care in the Portland area. We are excited to assist the team in their next phase of growth. Our combined team is comprised of the most talented and compassionate professionals in the industry. We are committed to maintaining the highest clinical standards while continuing to expand Bristol Services across new and existing communities.”

Comfort Hospice CEO, Crina M. Horga stated “We have worked with vigilance to provide an excellent patient experience for those we have been honored to serve. We are thankful to have discovered a company that shares our mission, commitment and belief that the care we provide for others is of utmost importance. We believe that we have found that partner in caring among the compassionate and qualified people at Bristol Hospice.”

Comfort Hospice & Palliative Care LLC was founded in 2012 with the goal to “provide an experience where compassion, quality, and purpose come together to support every day of every end-of-life journey.” They have adopted the service motto to; “do unto others, as they would have done unto them”. This patient centered care approach aligns perfectly with the Bristol Hospice goal of providing the highest quality hospice services.

Bristol Hospice commenced operations in Portland, Oregon in 2012. The Executive Director over the Portland operations, Vanessa Noonan, RN remains confident that better patient experiences can be provided with the merging of the Bristol Hospice - Oregon and Comfort Hospice programs through staffing synergies, expanded service areas, and quality programming. During the integration period, special consideration will be taken to ensure that patients, families, and caregivers will receive the same level of services that they have come to expect from these two exceptional care teams.
